Dear Indiana CLEO Applicant:

The Indiana Supreme Court is pleased to provide the attached materials relating to the Indiana Conference for Legal Education Opportunity Fellowship program. At the urging of the Chief Justice Randall T. Shepard, the program was established in 1997 by the Indiana General Assembly and the late Governor Frank O'Bannon to assist Indiana minority, low income or educationally disadvantaged college graduates in pursuing a law degree and a career in the Indiana legal community.

Indiana Conference for Legal Education Opportunity (Indiana CLEO) was patterned after the well-known national CLEO program. Only students who will be enrolled in an Indiana law school in the fall of 2007 are eligible to participate in the Indiana CLEO program.

Indiana's program takes approximately 30 college graduates who have applied to any of the state's four law schools and exposes them to a six-week Summer Institute immediately before they begin law school. The Summer Institute is held at an Indiana law school to prepare students for the special nature of legal study. The Indiana CLEO program provides free room and board for all Summer Institute participants and all course materials needed to complete your assignments. Students are required to live in a dormitory and may not be employed during the six-week period. It is expected that all persons selected for the Summer Institute will devote themselves full-time to the rigorous nature of the program. The 2007 Summer Institute will be hosted by Notre Dame Law School from June 4 through July 14, 2007.

At the Summer Institute, students are introduced to the areas of law in which they will receive instruction during their first year of law school. Law school professors are the primary instructors and offer, in addition to traditional classroom instruction, tips for success in law school. This mixture of challenging scholastics and practical advice prepares Indiana CLEO Fellows for the rigors of their imminent law school experience.

Students who successfully complete the Summer Institute and become certified graduates of the program might be eligible for an annual stipend. To be eligible for the annual stipend, certified graduates must attend an Indiana law school, enroll on a full-time basis, and maintain good academic standing. Stipends may be awarded for up to three successive academic years if the student remains eligible.

Please use the attached checklist to ensure that you have included all of the necessary materials in your application. The checklist provides the address to which your application must be submitted. An application will not be considered complete and will not be reviewed by the Indiana CLEO Advisory Committee until all of the necessary materials are submitted. Applications must be postmarked by **March 5, 2007**.

If you need any additional information about Indiana CLEO or about the application process, please contact the Indiana CLEO office at the Indiana Supreme Court Division of State Court Administration at (317) 232-2542 or (800) 452-9963. Thank you for your interest in Indiana CLEO.

Sincerely,

Robyn M. Williamson
